4 I might be interested in this. My car's a bit unreliable, but it's a 5 hour drive to you. I could chug my way to you, and then pool with you down there. I don't carry any weapons. I thought the flagpole was kind of cool but I don't know anything about using one so, whatever. Lol. But I'm still going to see what other options are available, might try to gather some folks from around my way.

7 It looks to me like laws don't exist anymore. Fair game. Overwhelm and detain the cops that don't join. Go in full tac. Have your zip ties and cuffs ready. We are the authority.

1 The party starts in the capitol and ends on the doorstep of every traitor we can find.
